About Lúcia

Lúcia is a trainee lawyer at NMP Advogados, working in the Corporate and M&A practice and she focuses on foreign investment transactions and projects in the energy and natural resources sectors.

She is experienced in corporate law, foreign investment, mergers and acquisitions, compliance, insurance, capital markets and taxation. Throughout her career, she has worked on corporate transactions, business restructuring processes, foreign investment projects, and matters relating to regulation and corporate governance. She has also overseen product development and management in the insurance sector.

She holds a law degree from Eduardo Mondlane University, as well as two master's degrees: one in International Business Law and one in European Union Law, International Law and Comparative Law, both from the University of Macau.

Alongside her professional activities, she maintains strong links with academia by teaching contract law at ISCTEM.

Practice Areas: Corporate and M&A, Energy and Natural Resources, Foreign Investment, Projects and Energy
